

AUCKLAND UNIVERSITY CRICKET CLUB

Attention all AUCC Year 2-7 and morning Girls Players and Parents

Auckland University Cricket Club is pleased to announce that we will be running a January school holiday cricket programme.

With the 2nd-half of the junior season starting on February 3rd, this is a great opportunity for young cricketers to get some mid-season practice, work off the Xmas cake, and have a fun few days with friends while developing their own cricketing skills.

We have scheduled holiday cricket clinics at Colin Maiden Park which will be run by our own Club Coaching Team. These will be a mix of cricket skills and drills, fun games, quizzes, etc. – the common themes are cricket and having fun.

The first week runs from:

- **Tuesday 16th Jan to Thursday 18th January 2018**

The second week runs from:

- **Tuesday 23rd Jan to Thursday 25th January 2018**

All days are open to boys and girls in (cricket) Years 2 to 7, and Girls U10, U12 and U15. Players can attend for any number of days and the programme for each day will be tailored to those who have booked in.

Each day the programme begins at 9am and finishes at 3pm – please drop off your child between 8:45 and 9am, and collect by 3:15pm.

We will be based outdoors – however we will have use of the Clubrooms for activities, cricket games, and DVD's should the weather not be kind to us. So we will go ahead every day irrespective of the weather. (Should the forecast be bad for the whole day we will endeavour to re-locate to an indoor facility so that the children can have some activity – e.g. ASB Stadium or Glendowie College,)

Each participant will need to bring a drink bottle, lunch, **hat and sunscreen** – and, if they have it, their own cricket gear (clearly marked please).

Registrations and payment can be made through our ClubHub system – follow the “Member Login” link on our website (or [click here](#)) and login (*there is a handy link “I have forgotten my Username or password”*) then select Tasks >> Purchases and Bookings. The cost is \$60 per day.

It should be a great time for all.

If you have any questions, please don't hesitate to contact me.

Richard Walker.
